Quote`s from Festivals and Clients

([Quoted from Shizuoka Street Performers Festival](#))

A soothing clown who puts a smile on your face. New York native Peppi with a disarming smile is a seasoned clown who started his career at the age of 9. Juggling, mime, comedy, balloon artist. All timed perfectly, carried out at the speed of light and guaranteed to fascinate the audience. Particularly, no one in the whole world can make balloons as quickly as he does. His unique performance that cherishes interaction with the audience will put a smile on everyones face.
